Selected Papers in Sexual Medicine and Men's Health

🕒 **Deadline: 15 August 2022**

Dear Colleagues,

We are pleased to announce this Special Issue entitled "Selected papers in sexual medicine and men's health". Sexual Medicine is the key for men's health as much is already know about the sentinel function of some sexual dysfunctions in men and the relationship between life style, health and sexual function become in recent years more prominent.

This special issue will include selected papers who reflect important subjects from the UCI Advanced International Men's Health Course, 2022 in which learning from world-renowned experts is provided. The issue also welcome research themed on the topics of sexual medicine and Men's health. All researchers in the field are welcome to submit their excellent work from urological, hormonal, reproductive and psychiatry point of view.

Dr. Yacov Reisman and Dr. Faysal A. Yafi
