### Special Issue announcement

## Exploring Frontiers in Andrology: Current Insights and Innovations in Male Reproductive Health, from Cancer to Erectile Dysfunction

### Guest Editor

Dr. Biagio Barone

Division of Urology, Department of Surgical Sciences, AORN Sant'Anna e San Sebastiano, Caserta, Italy

**Interest:** Urology; Andrology

**Email:** [Biagio.barone@aorncaserta.it](mailto:Biagio.barone@aorncaserta.it)

This special issue delves into the multifaceted landscape of andrology, offering a comprehensive exploration of the latest advancements in male reproductive health. From in-depth analyses of conditions such as testicular cancer and penile cancer to cutting-edge research on erectile dysfunction, the collection of articles presents a thorough examination of diverse aspects within andrology. With a focus on current insights and innovative approaches, this special issue aims to illuminate the frontiers of andrological research, providing valuable knowledge and fostering a deeper understanding of male reproductive well-being.

**Keywords:** Andrology; Male reproductive health; Cancer; Erectile Dysfunction; Fertility

**Submission deadline:** December 20, 2024
